

2ND ANNUAL AFRICAN AMERICAN SUMMER ACADEMY

• COLLEGE OF SAINT MARY •

SUNDAY, JULY 12 - FRIDAY JULY 17, 2015

CSM@CSM explore FORENSIC SCIENCE & TECHNOLOGY

This unique one-week opportunity for African American girls entering tenth or eleventh grade will feature activities in forensic science, art and computer technology. Experience college life by staying in our residence hall for one week. The program starts on Sunday afternoon and ends on Friday with graduation and a family picnic. Highly-qualified faculty and staff closely supervise students.

AT THE AFRICAN AMERICAN SUMMER ACADEMY, YOU WILL:

- Discover your potential, make new friends and have fun!
- Integrate art into learning about forensic science during morning classes.
- Go on field trips, enjoy swimming and learn self-defense.
- Try Zumba dancing, journaling and meditation.
- Use technology to document your projects.
- Share a meal and chat with professional African American women.

WHO IS ELIGIBLE:
African American High School students entering 10th or 11th grade.

HOW TO APPLY:
Register online at CSM.edu/AASA or return the form below. \$25 registration fee is required.

REGISTRATION DEADLINE:
Monday, June 15, 2015

CONTACT:
Diane Proulx at 402-399-2456 or dproulx@csm.edu
