Description: Legislative pages are selected in the fall each year to work for the upcoming legislative session, beginning the following January. Pages respond to senators' request lights on the legislative floor. They run errands, deliver messages, photocopy materials, get food and drink for the senators, assist the presiding officer, set up and staff committee hearings and perform other duties as assigned.

Requirements: Pages must be **high school graduates** who are **currently enrolled** in a Nebraska college or trade school with a minimum grade point average of 2.5 on a 4.0 scale. They must be able to work 20 hours a week during session. It is preferred that they work the **same four-hour shift** each day. The legislative session will begin **January 6, 2016**, and go through **April of 2016**. This is a paid position and you **may** also be able to receive credit hours through your college. First year pages will earn approximately \$10.23 per hour and second year pages approximately \$10.58 per hour.
